Thank you very much Anina,

enjoy your weekend.

May we talk on Monday after 2:00pm your time? Just let me know when it might be convenient for you.

Regards,

Martin

**Subject:** Treadmill-validation

Hi Martin

Leaving for today, but wanted to let you know that validation was received today (attached).

Would like to talk to you re pilot study-amendments, rationale behind them and if we really need them.

Regards,  
Anina
